Course Number
PHY-490-05
Course Description
The student will normally begin a research project by the fall of the senior year under the supervision of a faculty member; interested students are encouraged to begin research projects earlier in their studies. All students involved in research will meet together once a week with a faculty member who will organize oral reports by the students based on their progress. A written report is required on completion of the project.
Academic Term
22/FA
Instructor
Marr, Jonathan
Location & Meeting Time
