

Course Number

PSC-344-01

Course Description

For over two millennia exiles have been more influential in shaping political thoughts and realities than we are typically prepared to admit. Thus, exile deserves more scholarly attention in the social sciences and the humanities. This course adopts an interdisciplinary approach to the subject matter aiming to invoke political questions and motivate further inquiry about exile, as a space, and exiles, as political actors.

Academic Term

22/SP

Instructor

Ahmed, Saladdin

Location & Meeting Time
