```
Course Number
PHY-492-01
Course Description
The student will normally begin a research project by the fall of the senior year under the supervision of a faculty
member; interested students are encouraged to begin research projects earlier in their studies. All students
involved in research will meet together once a week with a faculty member who will organize oral reports by the
students based on their progress. A written report is required on completion of the project.
Academic Term
22/FA
Instructor
Watson, Heather
By Permission of Instructor
