

Course Number

BME-497-20

Course Description

Research or design project, performed either independently or as a team, under the supervision of one or more faculty participating in the Biomedical Engineering program.

Academic Term

20/WI

Instructor

Staff, BME

Location & Meeting Time

To Be Announced

Petition

N

Credits

1.00

Capacity

15

Total Students

0

Academic Department

Biomedical Engineering

Biology

Electrical & Computer Engineer

Field Of Study

Biomedical Engineering (BME)
