Course Description
The MTH 100-101-102 sequence covers the same calculus material as the MTH 110-112 sequence, but places additional emphasis on the review of fundamental precalculus concepts and isspread over three terms. MTH 100 alone does notfulfill the Quantitative and Mathematical Reasoning requirement; successful completion of MTH 101 after MTH 100 does fulfill the Quantitative and Mathematical Reasoning requirement. The next calculus course after the sequence MTH 100-101-102 is MTH 115.
