

Course Number

PHY-493-01

Course Description

The student will normally begin a research project by the fall of the senior year under the supervision of a faculty member; interested students are encouraged to begin research projects earlier in their studies. All students involved in research will meet together once a week with a faculty member who will organize oral reports by the students based on their progress. A written report is required on completion of the project.

Academic Term

22/FA

Instructor

Marr, Jonathan

Location & Meeting Time
