Course Number PHY-491-02 **Course Description**

The student will normally begin a research project by the fall of the senior year under the supervision of a faculty member; interested students are encouraged to begin research projects earlier in their studies. All students involved in research will meet together once a week with a faculty member who will organize oral reports by the students based on their progress. A written report is required on completion of the project.

Academic Term 20/WI Instructor Amanuel, Samuel Location & Meeting Time To Be Announced Petition N Credits 2.00 Capacity **Total Students**
