Course Number MTH-100-03 **Course Description** The MTH 100-101-102 sequence covers the same calculus material as the MTH 110-112 sequence, but places additional emphasis on the review of fundamental precalculus concepts and is spread over three terms. MTH 100 alone does not fulfill the Quantitative and Mathematical Reasoning requirement; successful completion of MTH 101 after MTH 100 does fulfill the Quantitative and Mathematical Reasoning requirement. Academic Term 20/FA Instructor Johnson, Brenda Location & Meeting Time Synchronous Online-ONLI M/W/F 10:50AM-11:55AM LEC Synchronous Online-ONLI T 08:00AM-08:50AM LEC Petition Y Credits 1.00 Capacity 28 **Total Students** 27 Additional Information http://muse.union.edu/mathematics Academic Department **Mathematics** Field Of Study Mathematics (MTH)
