

Course Number

MER-487-01

Course Description

This course is required of and limited to seniors who are not satisfying their WS requirement through MER 498. The course will focus on topics in mechanical engineering of current interest and importance. Students will make oral presentations, write reports on scholarly publications and critically evaluate these publications and the written work of their peers. A final thesis is required to fulfill the WS requirement.

Academic Term

20/FA

Instructor

Cortez, Rebecca

Location & Meeting Time

Integrated Science & Engineering Complex-218 M/W 03:30PM-05:10PM LEC

Hybrid-HYBR LEC

Petition

N

Credits

1.00

Capacity

12

Total Students

10
