

Course Number

ECE-363-01

Course Description

Multiple-stage amplifiers; Differential amplifiers; Frequency response of amplifiers; Feedback amplifier; Stability of electronic circuits; Analysis and design of operational amplifiers. Includes a weekly lab.

Academic Term

20/FA

Instructor

Buma, Takashi

Location & Meeting Time

Integrated Science & Engineering Complex-150 T/TH 09:15AM-11:00AM LEC

Hybrid-HYBR LEC

Petition

Y

Credits

1.00

Capacity

15

Total Students

14

Additional Information

<http://ece.union.edu>

Academic Department

Electrical & Computer Engineer

Field Of Study

Electrical & Computer Engineer (ECE)
