Course Number
MTH-102-01
Course Description
The MTH 100-101-102 sequence covers the same calculus material as the MTH 110-112 sequence, but places additional emphasis on the review of fundamental precalculus concepts and is spread over three terms. MTH 100 alone does not fulfill the Quantitative and Mathematical Reasoning requirement; successful completion of MTH 101 after MTH 100 does fulfill the Quantitative and Mathematical Reasoning requirement. The next calculus course after the sequence MTH 100-101-102 is MTH 115.
