```
Course Number
MER-293-20
Course Description
Any mechanical engineering undergraduate can practice their profession on a part-time basis, for credit, through
participation in either (1) undergraduate research or (2) a design project sanctioned by the department. To
receive Pass/Fail credit equivalent to one free elective course, the student must earn three terms worth of passing
grades for the practicum experience. Credit for up to two free elective courses may be earned in this way.
