

Course Number

BME-497-01

Course Description

Research or design project, performed either independently or as a team, under the supervision of one or more faculty participating in the Biomedical Engineering program.

Academic Term

21/FA

Instructor

Cotter, Shane

Location & Meeting Time

To Be Announced

By Permission of Instructor

Y

Credits

1.00

Capacity

10

Total Students

0

Academic Department

Biomedical Engineering

Biology

Electrical & Computer Engineer

Field Of Study

Biomedical Engineering (BME)
